## Outdoor Play and Learning: Chalk

The benefits of Chalk are that we can:

- We can draw with it!
- We can cruch it!
- Take turns.
- Socialise.
- Make new friends.
- Learn to regulate our own emotions.
- Develop our fine motor skills.
- Explore our creativity.
- Have fun.

- **Remember to put 10 pieces of chalk out every day if it is your class responsibility (Year 4).**
- **Use words you would be willing to say to your teacher.**
- **Tidy chalk away after you have finished.**
- **Check with the person using a piece of chalk before taking it.**
- **Share with others.**
- **Once it is gone, it is gone!**

# Inovate...

A question next term if you manage to make it to the top of the Opalometer would you like the 15 minutes extra play or would you like a bubble machine?

Result: Half the children voted for a bubble machine and the other half voted for extra play so the leaders will have a think about how to please everyone!
