## Outdoor Play and Learning: Lego

The benefits of Lego are that we can:

- Take turns.
- Socialise.
- Make new friends.
- Learn to regulate our own emotions.
- Be resilient.
- Develop our fine motor skills.
- Explore our creativity.
- Have fun.
- Develop skills of coordination and problem solving.
- Training for our brains.

- Pick up a Lego pass before using the Lego.
- Be kind to each other in the Lego hut.
- Tidy Lego away after you have finished using it.
- Check with the person using a piece of Lego before taking it.
- share with others.
- Keep Lego in the Lego shed.

# Innovate...

We have noticed some of the chalk being used in Zone 1. Would you like chalk pots to be available on Zone 1 and 3 ?

Result: The pupils voted yes!

## Reminders –

Tidy up the games room when we have finished your game.

Keep large loose parts in the loose parts area and be aware of others and the surroundings when using items. Think about what is behind you!
